Thank U's

A big heartfelt "thank you" to the individuals and groups that came to College Manor during the holidays. There are too many names to list and we wouldn't want to leave anyone out. December was a busy but fun month with decorating, concerts, plenty of volunteers and friends bringing in treats and cards. Thank you for celebrating with us at College Manor and we look forward to seeing you in 2019.

Uniform Policy Active January 1st

As we had stated in previous newsletters, communication between staff, residents and family members is an area that can always use improvement. Beginning January 1st, the new uniform policy goes into affect. Uniforms differ between departments but everyone will wear scrubs. Scrub colors are based on an employees department: **Nursing** (navy blue), **Housekeeping** (black), **Kitchen** (grape purple), **Maintenance** (khaki scrub top ONLY due to job description). You will still see administrators and secretaries wearing business professional attire. We believe this will bring better communication and professionalism to our workplace.

Happy Birthday!
