Good News! We are COVID-19 safe (knock-on-wood)!

This week Governor Hogan announced mandatory testing, for residents and staff, at all Maryland Nursing Homes. Currently, priority is for testing facilities with active cases, which we do not have. When we receive more word on facility testing, we will inform residents and families via email and website posts. Please continue to check emails and our website www.collegemanor.com for information.

There has also been a lot of talk in the news about reopening the country. Along with most people, we want to get back to the way things were but need to do it in a safe manner. For the moment, we aren't changing any of the protocols already in place until there is further word from state officials. We are staying up-to-date with all news and receive regular communications from the Baltimore County Health Department. When we receive further communications, we will adjust our protocols and send notifications to responsible parties.

COVID-19 Update

May 1st, 2020

Current Precautions:

Any medical staff entering the building needs to be wearing a mask, have their temperature taken and wash their hands thoroughly/sanitize.

NO VISITORS are allowed at this time. FaceTime, Google Hangouts, Zoom Meetings can be requested for remote video chats with a resident. Please email Bobby Renaud, at rmr@collegemanor.com, with any requests.

All meals will be served in resident rooms. Practice social distancing and do not gather in groups of more than 10 at a time. Stay home if you can.

All Mail and Packages are to be left under the pavilion or outside the main entrance. Please knock or call the front desk when dropping off packages (410-252-0440) and we will deliver to the intended recipient.
