## Resident Activities

At College Manor we are being vigilant about keeping all residents and employees safe. We understand the frustration of not having the normal routine back by now. Hang in there with us because precautions are becoming less strict by the day!

**The hairdresser will be returning Wednesday, June 10th to give residents well deserved personal attention.**

Activities will continue in the month of June with new additions to the schedule. We will have Pizza and Beer in the Chapel on Friday June 12th and 26th! Both at Noon. You will need to reserve a spot since there are still gathering restrictions.

Entertainment will be back on a limited basis in June. Two of our more popular entertainers will have outdoor concerts. Bernie Hernandez will be here on Wednesday, June 10th. Helmut will be performing on the following Tuesday, June 16th. Both concerts will be at 2:00PM, in the afternoon. The artists are going to be performing outside while folks enjoy listening from the pavilion and even inside the building.

We want everyone to be able to enjoy the music. Please let us know if you would like your window opened to listen in on the concert!

# COVID-19: Updated Information

We are happy as we continue to be Coronavirus free!

*We aren't changing any of the protocols already in place until there is further word from state officials.*

**Testing:** Testing has been a slow process but all have come back negative as of now. Bunny has gone through and tested all residents on the 2nd main hall and the entire 3rd floor this week. We will hopefully have those test results returned more quickly after speaking with the lab service.

**Hairdresser:** Senior Salon Services will be returning to College Manor next week! Debbie will return next Wednesday, June 10th. Book your appointments now!

**Off-Campus Appointments:** Residents leaving the building for appointments may be subject to a period of quarantine. We will decide on a case-by-case basis.

We will be here for our residents during this time and always! Please email questions to [rmr@collegemanor.com](mailto:rmr@collegemanor.com) or call **443-652-4061**
