

# June 8th, 2020

NEW Update: Monday, June 8th, 2020

We are in a good situation going into the second week of June. The precautions put in place have helped a great deal in limiting our resident's exposure to the outside world. We thank everyone for contributing to this effort during difficult times!

Testing: Testing has been a slow process but all have come back negative as of today. Bunny, RN, went through and tested all residents on the 2nd main hall and the entire 3rd floor last week. The 4th floor tests are being administered today and tomorrow.

Hairdresser: Senior Salon Services will be returning to College Manor this week! Debbie, hairdresser, will return Wednesday, June 10th. Book your appointments now!

Off-Campus Appointments: Residents leaving the building for appointments may be subject to a period of quarantine. This will be decided on a case-by-case basis.

## COVID-19 Update

# June 8th, 2020

Dining: Residents continue to receive room service for meals. We continue to limit group gatherings to 10 people. As soon as larger congregations are acceptable, lunch and dinner will resume in the dining room.

Activities: Entertainment will continue on a limited basis in June. Two of our more popular entertainers will have outdoor concerts. Bernie Hernandez will be here on Wednesday, June 10th. Helmut will be performing on the following Tuesday, June 16th. Both concerts will be at 2:00PM, in the afternoon. The artists are going to be performing outside while folks enjoy listening from the pavilion and inside the building. We want everyone to be able to enjoy the music. Calendars and newsletters will both be published in July. Check the Activities page on our website [www.collegemanor.com](http://www.collegemanor.com).
