

Community Update 12-04-2020

The no indoor-visitor policy will continue due to the employee who tested positive this week. Great news, All 103 tests performed at College Manor this week came back negative. The 103 people consisted of all residents and all of the staff who were working this week. Please lookout for a communication in about 10-days with regards to signing consent forms for the Covid Vaccine. CVS will be administering the Moderna vaccine when the time comes.

Outdoor visits may continue being scheduled through our front desk (410) 252-0440. Beginning Monday, December 7th we will be utilizing the sunporch as an "Outdoor Visitation Area" for one resident and two guests maximum. When you call, please specify whether the visit will be indoors or outdoors. Due to the limitations of one resident visit per time, there will be a 30-minute time-limit for these indoor visits. Guests will be let in through the fire escape entrance off of the sunporch. A staff member will take your temperature and provide hand sanitizer. With prayers and a little luck, after another week of negative tests, we hope to resume limited indoor visits by 12/14/2020.
