After the Baltimore County Health Department's determination earlier this week, we were released from our lockdown. Indoor visits for two designated responsible parties (people) were allowed beginning Tuesday, December 15th, 2020. Both visiting parties are required to provide Negative testing results prior to their visit.

Please email Bobby Renaud, [rnr@collegemanor.com](mailto:rnr@collegemanor.com) to inform when Negative test results are received and email results page if possible, otherwise bring results with you. These indoor visits do not need to be scheduled and are allowed from 9:00am - 5:00pm, Monday thru Sunday.

If you have Medicare or are willing to pay the \$75 fee for testing (what our lab charges us), please email Bobby Renaud with: the subject line "Covid Testing", Your Full Name, Date of Birth, SS#, Primary Physician Name, and Medicare Part B # if available.

Information can be provided when you are at College Manor.

Payment methods include check, cash or placing the charge on the resident account. We received our first wave of results back from the lab so some of you who have tested at College Manor this week will be hearing from us shortly.
