## Community Update 12-22-2020

We regret having to do this with the holiday approaching but are closing to visitors, due to an employee testing positive. We are required by the Baltimore County Health Department to shutdown to visitors after a positive test. This applies to all visits, except for the sunporch (sunporch visits scheduled through the reception desk 410-252-0440). If you have questions, call Bobby Renaud 443-652-4061. We will provide an update on the vaccine and visitation soon.

### Current Community Proto:

- Dining Room Open but the group will be separated between the dining room and chapel.
- Distanced Small Group Activities allowed.
- Outside of necessary appointments, residents should remain on campus.
- Hair Salon will remain open but limited to 2 people in the salon at any given time.
- Sun Porch visits may continue to be scheduled through the front desk. Specify that you would like to be on the sunporch. Due to the limitations of one resident visit per time, there will be a 30-minute time-limit for these indoor visits. Guests will be let in through the fire escape entrance off of the sunporch. A staff member will take your temperature and provide hand sanitizer. This is considered an "outdoor visitation area".
