

CVS Vaccine Consent Forms Needed

We hope everyone was able to enjoy their holiday this year and are sorry visitors couldn't be here with us!

This is a friendly reminder to complete the CVS Covid Vaccine Consent forms for residents. We currently have only received 1/3 of the consent forms needed for the upcoming clinic. However, CVS is moving slower than their original timeline stated. We have finally been contacted by their pharmacy coordinators who will lead us through our 3 clinics. We DO NOT have the clinic dates just yet but will notify everyone ASAP. If you have questions, call Bobby Renaud 443-652-4061. We will provide more updates as they come.

Complete CVS Covid Vaccine Consent forms by clicking link below:

Continues on Back

Current Community Proto:

- Sun Porch visits may continue to be scheduled through the front desk. Specify that you would like to be on the sunporch. Due to the limitations of one resident visit per time, there will be a 30-minute time-limit for these indoor visits. Guests will be let in through the fire escape entrance off of the sunporch. A staff member will take your temperature and provide hand sanitizer. This is considered an "outdoor visitation area".
- Dining Room Open but the group will be separated between the dining room and chapel.
- Distanced Small Group Activities allowed.
- Outside of necessary appointments, residents should remain on campus.
- Hair Salon will remain open but limited to 2 people in the salon at any given time.
