JANUARY NEWSLETTER

2022

Happy New Year!

*New Year,
New me!*

Distanced Activities

VISITORS PERMITTED - FACE MASKS REQUIRED INSIDE THE BUILDING. After the holiday season we have been taking more precautions for the community. Activities will be distanced and residents asked to wear masks while in close proximity to one another. Stronger masking protocol for staff has been implemented.

12th Night

January 5th is 12th night. This means we'll start taking down the Christmas decorations. First to go will be the big tree, sadly. Until next year!

Garden Club

Garden Club will be out for one more month out of caution. We will still have the activity this month. Volunteers from the garden club are dropping off materials for flower arrangements to keep us going.

Nativity

Beginning on the 3rd Tuesday of every month, The Church of the Nativity, will be here for Rosary.

In addition, Nativity will also be coming for annointings with a priest on Tuesday, January 18th.
