## Activities Department Announcement

We want to introduce Jessica Riddick, as our new Activities Director! Jessica has been with College Manor for over fifteen years and worn many hats in the process. She will continue to run resident care plan meetings, along with the activities department. We are confident this will be a positive transition that will be both familiar and new.

*-Bobby Renaud, Communications Director*

As a reminder, all residents are welcome to be involved in activities that are offered. Come check out horseshoes, darts, and ring toss. I will be looking forward to hearing any novel activity suggestions.
